

Colic Calm Medical Data Sheet

Colic Calm is a unique medicinal gripe water developed specifically for the treatment of infant colic, gas and reflux.

Key Facts and Features:

- An over-the-counter FDA-regulated homeopathic medicine (NDC Number: 13992-001-01)
- A gentle, natural alternative without the side-effects of prescription drugs
- Unlike dietary supplement (DSHEA) gripe waters, Colic Calm is FDA-registered and is manufactured in the USA, using the highest quality natural ingredients, under strict FDA pharmaceutical guidelines and standards
- Most babies experience relief within minutes. Therapeutic improvement typically occurs within 7 days
- Used by well over 500,000 babies, it is more than 90% effective for gas, colic and reflux according to independent customer satisfaction surveys
- Available at over 7,000 CVS and Walgreens pharmacies nationwide. Also available at select health food stores, hundreds of retail locations nationwide such as Babies R' Us and online at ColicCalm.com
- A fraction of the cost of prescription drugs. The majority of parents spend less than \$2 per day
- Contains a homeopathic blend of nine active ingredients that stimulate the body's self-healing properties

The synergistic remedies in Colic Calm provide multi-symptom relief. The active ingredients are diluted to micro-doses, making Colic Calm safe, gentle and ideal for self-treatment. It can be given when symptoms appear, since it works quickly, and no regular dosing is needed.

Active Ingredients

Digestive Aid: *Aloe - Aloe Socotrina (5X), Blackthorn - Prunus Spinosa (5X), Caraway - Carum Carvi (5X), Fennel - Foeniculum Vulgare (5X), Ginger - Zingiber Officinale (5X)*
